All offers of membership are at the sole discretion of the Committee. Initial membership is subject to a three month probationary period. At the end of this period, permanent membership is subject to approval by the Committee.

All members are required to familiarise themselves with and adhere to the current club rules, the guidelines laid down in the current BMFA handbook and the requirements of the Air Navigation Order and CAP 658.

Waltham Chase Aeromodellers has a restriction on membership numbers and applicants will initially be added to the waiting list. Membership numbers are generally reviewed in mid-January of each year, with a further review in mid-July.

Applicants should be aware that Waltham Chase Aeromodellers functions solely as a result of the efforts of its officers and members. Upkeep of the flying sites, maintenance of all machinery and equipment and the success of events and activities organised by the club depend upon these efforts.

Further information about the club can be obtained by visiting the website at www.wcaero.co.uk
