

Waltham Chase Aeromodellers

INDOOR R/C FPV MEETING

Following last season's successful indoor FPV events, Waltham Chase Aeromodellers are pleased to announce a series of ten similar events in the **Meon Room** at **Wickham Community Centre, Mill Lane, Wickham, Hants PO17 5AL** on the following dates:

Tuesday, 8th. October 2019
Tuesday, 12th. November 2019
Tuesday, 10th. December 2019
Tuesday, 14th. January 2020
Tuesday, 11th. February 2020
Tuesday, 10th. March 2020
Tuesday, 14th. April 2020
Tuesday, 12th. May 2020
Tuesday, 9th. June 2020
Tuesday, 14th. July 2020

All meetings will run from 7.00 p.m. to 9.30 p.m. This is the venue at which we hold our popular indoor R/C Small Models meetings, albeit in a smaller room. Admission to the meetings will be £4 for fliers and £1 for spectators, whilst accompanied children will be admitted free. Junior fliers will be charged as adult spectators. Fliers will be required to show proof of insurance.

Multicopters to be flown at these meetings are to be limited to a maximum weight of 95 grammes (3.5 ounces), in flight trim, including battery (not to exceed a 2-cell Li-Po pack) and are to have a motor to motor diameter not exceeding 6" (152mm). Helicopters and fixed-wing models may not be flown at these meetings.

All models should be 25mW 5.8GHz or Wi-Fi FPV equipped. A frequency control system will be employed whereby each pilot will be allocated a video operating band, to guarantee frequency separation a maximum of 4 pilots will be permitted to transmit at any one time. Each model will need to be checked and a transmitter tag allocated before being cleared to fly.

Non-FPV equipped multicopters may be flown by exception, but these events are predominately FPV focussed events.

Flying at these events will take place generally in accordance with our procedures developed at the regular indoor R/C events, details of which are available on our website.

Waltham Chase Aeromodellers look forward to welcoming all R/C indoor FPV fliers to these events.
