

**Waltham Chase Aeromodellers
Flying at TVF Site
Covid-19 Risk Assessment
To be implement on and after 17th May 2021**

Waltham Chase Aeromodellers

Author Richard Bristow (Hon.Sec.)

Distribution: All members attending TVF via the club Website.

Date Risk Assessment Completed: 11.05.2021

Overview:

Government guidance has been reviewed since we resumed limited flying at WCA several months ago. It is therefore now appropriate to revise our guidance in line with the Government guidance. Social gatherings of up to 30 people are now allowed outdoors, as long as **social distancing is maintained at all times.**

Background:

Covid-19 is a highly infectious virus easily transmitted by droplet infection. By following this guidance you will **help** to protect yourself and other club members from contracting the virus, but it doesn't completely remove the risk of transmission. Members need to make an individual decision as to whether they are prepared to take the risk. The club accepts no liability should a member contract Covid-19 as a result of infection at WCA. The guidance will be reviewed at regular intervals to ensure that it remains current and in line with Government / PHE guidance.

What are the hazards?	Who might be harmed and how?	Controls	Who will carry out these controls?	Action carried out by when?
Spread of virus from asymptomatic person on site	WCA members using TVF. Gregory family and farm staff	<ul style="list-style-type: none"> • Members to use hand sanitizer on arrival at TVF • Non-members/visitors are to be briefed on the Covid rules by a committee member before visiting. • Social distancing controls in place for all activities at TVF including car parking, pits area and flight line 	All members using TVF	On each visit to TVF

		<ul style="list-style-type: none"> • Pits areas arrange provide 2m distancing • Members not to congregate at the tables • Members not to congregate under the canopy • Numbers on site limited to 30 maximum at all times. • Use of shared equipment is to be minimised, field charger only. • Shared equipment is to be cleaned before and after use • Members to use hand sanitizer before and after using shared equipment • Vulnerable members are consider the use of a face mask • All members are to consider the risk to themselves and other before visiting TVF • Buddy boxing is can be carried out. Instructor and student are to use face coverings. Use hand sanitizer before and after using shared equipment.
